Dear Sir or Madam:

The appearance of our community and how we maintain individual properties has a significant impact on the quality of life in our neighborhoods. The City of Tallahassee has adopted ordinances requiring property to be maintained in a clean and safe condition. A recent inspection of your property revealed that certain conditions found do not comply with City code. These violations, corrective action required, and time frame for completion are noted on the attached violation notice. Should you encounter any difficulty, an extension of time may be granted by request. If such extension is needed, please call (850) 891-7007. If you are not the current owner of the property, or if you sell the property before the compliance deadline, please inform us of such action.

Due to the nature of the violations, the City's Condemnation Review Team (CRT) will evaluate the structure at the above address and may recommend demolition. Regardless of the CRT's recommendation, if the violations are not corrected, your case will be scheduled for hearing before the Municipal Code Enforcement Board/Code Magistrate. During the hearing, the findings of the CRT will be presented, and you will have the opportunity to be heard. Failure to bring the property into compliance may result in the City of Tallahassee correcting the violation(s) and assessing the cost, which could include placing a lien on the property until such time as all costs are reimbursed to the City. These costs may be recovered by court action if necessary. Your case may be presented to the Code Board/Magistrate even if the violation has been corrected prior to the hearing or if the structure is boarded. The City's Board and Seal Ordinance, (Section 3-371, Tallahassee Land Development Code), includes a time limit for a structure to remain boarded.
